The image shows two vertical panels of tire performance labels. The left panel is for fuel consumption, featuring a fuel pump icon and a scale from A (green) to G (red). A black arrow points to 'E'. The right panel is for wet grip, featuring a tire on a wet surface with rain clouds and a scale from A to G. A black arrow points to 'B'. Below these is a noise level label with a speaker icon and a black arrow pointing to '70 dB'. At the bottom left is the European Union flag and the text '1222/2009 - C1'.

1222/2009 - C1
